“Find Me Unafraid tells the uncommon love story between two uncommon people whose collaboration sparked a successful movement to transform the lives of vulnerable girls and the urban poor...with their foundation called Shining Hope for Communities (SHOFCO).”

“The alchemy of their remarkable union has drawn the support of community members and celebrities alike—The Clintons, Mia Farrow, and Nicholas Kristof are among their fans—and their work has changed the lives of many of Kibera’s most vulnerable population: its girls.” - Goodreads
